

THE 2025 MONTANA AWRA CONFERENCE PRESENTS

# HYDROFLAME

## WORKSHOP 2025

AN EARTH OBSERVATION-INTEGRATED HYDROLOGIC  
MODELING FRAMEWORK FOR POST-WILDFIRE WATER  
RESOURCE MANAGEMENT

Join us for a training workshop on  
**HydroFlame**, a novel platform combining  
hydrologic modeling & satellite remote-sensing  
data for post-wildfire watershed management!

[Click here or scan to view the  
HydroFlame official website!](#)

## WHO CAN ATTEND?

Professionals in watershed management/planning,  
students interested in hydrology & remote-sensing, and  
any other stakeholder interested in post-wildfire  
streamflow & water quality.

## CONFERENCE REGISTRATION

Registration is free, but required. [Click here](#) to  
register for the conference.

## WORKSHOP REGISTRATION

Limited stipends are available for  
attendance. [Click here](#) or scan the QR  
code to register for this workshop.

## IN COLLABORATION WITH

US Army Corps  
of Engineers®  
Seattle District
